In the event of the right of any person to vote at any general meeting being challenged, the chairman shall have authority to determine whether or not such person is entitled to vote, and the chairman may require such person to make and file with him a statutory declaration showing that the declarant is qualified as aforesaid to vote at such general meeting. Forthwith after the holding of a general meeting the Trustees shall file with the Comptroller of Water Rights a true copy of the minutes of such meeting and copies of all auditor's reports and financial statements presented or discussed at the meeting.

9. All words and phrases given special meaning in section 2 of the *Water Act* shall, where used herein, be ascribed the meaning given them in the said section, unless the context otherwise requires.

In testimony whereof, We have caused these Our Letters to be made Patent and the Great Seal of Our said Province to be hereunto affixed.

CO-OPERATIVE ASSOCIATIONS  
ACT

I HEREBY CERTIFY that the Abbotsford Co-operative Housing Association, incorporated on the 6th day of December 1968 under Certificate 821 (Co-op.), has, pursuant to the *Co-operative Associations Act*, altered its objects by amending paragraph 3 of the memorandum of association to read as follows:

(a) To promote continuing co-operative housing associations, co-operative building groups, and generally to promote improvements to housing conditions in British Columbia:

(b) To provide housing accommodation of any class or kind for persons, at least the majority of whom are members of the Association who will occupy the housing accommodation otherwise than as owners and who, if members of the Association, have subscribed for shares in accordance with the Rules of the Association; and, without limiting the generality of the foregoing, for that purpose, to own and to buy, sell, lease, exchange, acquire, and dispose of, and to construct, renovate, remodel, and repair, and to operate, manage, and maintain lands, buildings, and chattels for residential purposes and uses ancillary thereto for members and other persons to whom the Association provides or intends to provide housing accommodation:

(c) Subject to the *Co-operative Associations Act*, to enter into partnership or joint ventures with, to lend money to, to guarantee or become surety for the indebtedness or obligations of any corporation organized on a co-operative or non-profit basis.

The objects specified in each paragraph hereof shall in no way be limited by reference to or inference from the terms of any other paragraph or the name of the Association and the Association shall have as ancillary and incidental those powers granted by the *Co-operative Associations Act* as may be amended from time to time.

(a) Save as herein provided (i) no part of the income of the Association shall be payable to or otherwise available for the personal benefit of any proprietor, member, or shareholder of the Association; (ii) no part of the assets or property of the Association may be paid or distributed to the members of the Association during the existence of the Association or upon a winding-up or dissolution; (iii) no dividend shall be paid by the Association in respect of shares:

(b) The Association, upon a person ceasing to occupy housing accommodation provided by the Association, may pay to that person (i) the amount paid on account of shares of the Association; (ii) an amount which bears the same ratio to the amount paid on account of shares of the Association as the amount of any increase of the Canadian city average of the Consumer Price Index of Statistics Canada or any successor or substituted index or agency (the Consumer Price Index) from the date on which the person commenced to occupy housing accommodation pursuant to his lease to the first day of the month immediately preceding the date of the person's application to withdraw from membership in the Association bears to the Consumer Price Index on the date on which the person commenced to occupy housing accommodation provided by the Association. If the form, basis, or method of reporting of the Consumer Price Index shall be changed so that any calculation under

this clause (ii) cannot be made on a consistent basis then there may be substituted for the Consumer Price Index an index certified by the auditor of the Association to be an adequate and consistent basis for the calculation of the amount permitted to be paid under this clause; (iii) the actual cost, less depreciation as determined by the directors of the Association at the date of the person ceasing to occupy a unit of housing accommodation provided by the Association, of approved improvements to the unit of housing accommodation occupied by the person to an amount not exceeding 10 per cent of the value of the unit, as determined by the directors of the Association at the date the person ceases to occupy the unit of housing accommodation:

(c) The Association may make (i) an allocation in proportion to patronage in relation to the amount paid for housing accommodation provided by the Association so long as such allocation is made at the same rate in relation to the amount paid for housing accommodation to all persons who paid rent to the Association in proportion to the amount of rent so paid by the persons without regard to whether those persons are members of the Association or not; and (ii) a distribution of surplus by way of an adjustment or reduction of rental paid or payable with respect to accommodation provided by the Association so long as the distribution is made to all persons in the same proportion as rent is paid or payable by those persons for the accommodation without regard to whether those persons are members of the Association or not:

(d) Nothing in this section shall prohibit the Association from paying any bona fide indebtedness and interest thereon to any proprietor, member, or shareholder:

(e) (i) No payment made by the Association to a member, whether by way of allocation in proportion to patronage, by way of payment of any indebtedness or otherwise shall be made by way of issue of shares of the Association to the member; (ii) no payment by a member to the Association by way of rent or for services shall be credited, in whole or in part, on account of the purchase of shares of the Association.

SEALED TENDERS marked "Tender for Project T.F. 184—Swartz Bay Ferry Terminal, Contract 2: Electrical," will be received by the Department of Highways and Public Works at the Parliament Buildings, Victoria, B.C., up to 2 p.m. on Tuesday the 23rd day of March 1976, and opened in public at that time and date. Tenders must be delivered only to Room 237, Douglas Building, Victoria, B.C., which is open from 8 a.m. to 4 p.m., Monday to Friday, except holidays.

Plans, specifications, and conditions of tender may be obtained from the Department of Highways and Public Works, 3876 Norland Avenue, Burnaby, B.C. V5G 3T3 (telephone 294-4711), or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable.

Construction of this contract shall conform to the requirements of the applicable sections of the Department of Highways and Public Works "General Specifications for Highway Construction." If the bidder does not already have a copy of these specifications, one may be obtained from the Department of Highways and Public Works, 3876 Norland Avenue, Burnaby, B.C. Each tender must be accompanied by a certified cheque or a bid bond in an amount equal to 10 per cent of the tender price. This cheque or bid bond shall be forfeited if the tenderer declines to enter into contract. If a bid bond is used, a performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder upon receipt of notice of acceptance of his tender. If a deposit cheque is used it shall be retained and forfeited if the contractor fails to carry out the work contracted.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways and Public Works, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity,

and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.
